ACCP Announces 2024 - 2026 Officers

The American College of Clinical Pharmacology® is pleased to announce its newly-elected 2024 – 2026 Officers. These members of the Executive Committee will work closely with the ACCP Board of Regents and Staff to support ACCP's Mission & Vision and to provide leadership and guidance as ACCP continues to achieve its strategic organizational goals and enhance the Member experience. Please join ACCP in congratulating its new Officers!

President
Oliver Grundmann, PhD,
FCP, MS, MEd

President Elect
Navin Goyal, PhD, FCP

Secretary
Myong-Jin (MJ) Kim,
PharmD

Treasurer
Craig Hendrix, MD

Immediate Past President
Dionna J. Green, MD, FCP

Councilor
Vikram Arya, PhD, FCP

ACCP Strategic Plan

SCIENCE & CLINICAL PRACTICE

IMPACT

ACCP Staff, Leadership and Volunteers continue to strive to meet the goals and objectives of the 2021 – 2025 Strategic Plan and remain committed to the society's core Mission & Vision. Highlights include:

- Developing new educational events and formats to meet the needs identified by Members.
- Successful tactical implementation of various elements within the Strategic Plan that allow ACCP to continually exceed a series of nonprofit benchmarks indicating that organizational processes are on the mark for success and strong sustainability.
- Outreach is achieved effectively through the ACCP Ambassador Program, the publication of a series of Public Policy manuscripts, joint educational events with other entities, membership presentations about careers in clinical pharmacology and webinars to support Students, Trainees & Early-stage Professionals.

In summary, we are pleased to report that the 2024 semi-annual assessment of the Strategic Plan achieved high results and we look forward to continuing our focused efforts to meet the goals and objectives of the plan.

2023 FY Audit Confirms High Standard of Financial & Operational Practices

Consistent with good accounting practices, on an annual basis ACCP undergoes a financial and operational audit by an independent audit firm. The result of the 2023 FY audit was an unmodified opinion, which is the highest form of opinion that can be achieved. For over a decade, ACCP has proudly received an unmodified opinion on its annual audits, confirming a high standard of financial and operational practices in its efforts to proudly support ACCP Members and programs to support the global clinical pharmacology community.

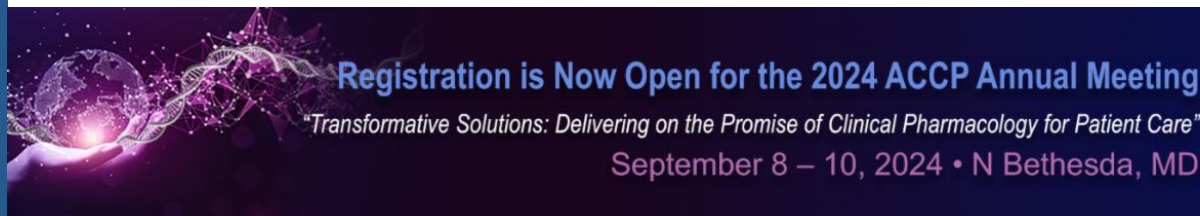

Call for 2025 Proposals Workshops & Symposia 2025 ACCP Annual Meeting

Renaissance Phoenix Downtown Hotel, Phoenix, AZ | Sept 14 -16, 2025

ACCP continues its commitment to excellence in educational programming with the [Call for Proposals](#) for the [2025 Annual Meeting of the American College of Clinical Pharmacology® \(ACCP\)](#) open through July 31st!

The **2025 ACCP Annual Meeting, "Leveraging Innovative Approaches to Transform Clinical Pharmacology"** will provide a forum for discussion on important clinical pharmacology topics ranging from research and drug discovery to patient care. [Submit a Proposal](#) through ACCP's online Submission System on one of the Areas of Submission noted below.

For each Proposal submitted, **the Submitter and at least one (1) Session Co-chair must be a current Member of ACCP at the time of submission and at the time of the ACCP Annual Meeting** in which the event will be held. If you are not a current ACCP Member, visit the [Join webpage](#) to apply for or renew your membership.

Don't Forget to Register for the 2024 ACCP Annual Meeting!

ACCP looks forward to hosting another outstanding Annual Meeting focused on exceptional educational programming, [2024 ACCP Annual Meeting "Transformative Solutions: Delivering on the Promise of Clinical Pharmacology for Patient Care"](#), which will be held on September 8– 10, 2024 at the Bethesda N Marriott Hotel & Conference Ctr in N Bethesda, MD. We encourage you to join this global audience of clinical pharmacology professionals devoted to scientific excellence. In addition to the 3-day meeting, ACCP offers three events focused on providing specific skills and educational content designed to enhance your professional skill set.

- [2024 Trends in Drug Development Seminar](#) on cutting-edge topics in preclinical and clinical drug development.
- Pre-meeting Workshop on [Physiologically-based Pharmacokinetics Analyses: Practical Applications in Clinical Drug Development](#).
- [The Clinical Pharmacology Review Course](#) is presented by ACCP and the American Board of Clinical Pharmacology to provide a comprehensive review of topics of broad interest to clinical pharmacologists.

We look forward to seeing you at the [2024 ACCP Annual Meeting](#), September 8 - 10, 2024 at the Bethesda N Marriott Hotel & Conf Ctr in Bethesda, MD!

CALL FOR COMMITTEE VOLUNTEERS

ACCP seats new committees on even-numbered years that will serve a two-year term. The Call for Committee Volunteers for 2024 – 2026 resulted in almost 30% of the membership volunteering to serve on a committee to help the society meet its organizational goals. This is an outstanding result and speaks to the devotion of valued Members plus the warm and welcoming nature of the society and the sincere desire to provide opportunities for participation and professional growth. We look forward to an outstanding 2024 – 2026 Committee term!

IT MIGRATION

ACCP remains committed to excellence in operational standards, including its IT structure. Most recently, ACCP migrated its extensive operational records to a cloud-based capability to comply with current standards for operational sustainability.

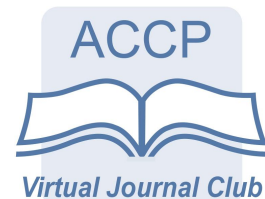

ACCP Educational Events - Now On Demand

ACCP continues its commitment to excellence in educational programming and the maintenance of accreditation by the Accreditation Council for Continuing Medical Education (ACCME) and the Accreditation Council for Pharmacy Education (ACPE). Live, On Demand and text-based relevant educational programming is provided to the global clinical pharmacology community through the [ACCP Learning Management System](#).

Harnessing the power of collaboration, ACCP partnered with the European Association of Clinical Pharmacology & Therapeutics (EACPT) to present 'Dose Individualization of Biologics to Improve Patient Outcome: a Joint ACCP-EACPT Symposium' at the 2024 Congress of the EACPT, held in Rotterdam, the Netherlands, June 8-11. Drs. Catherijne Knibbe and Donald Mager organized the session, a variation of which was also held at the 2023 ACCP Annual Meeting in Bellevue, WA.

New ACCP Webinars:

- [2024 ACCP Virtual Journal Club Webinar-June | Estimation of Absolute and Relative Body Fat Content Using Noninvasive Surrogates: Can DXA Be Bypassed?](#)
- [2024 ACCP Virtual Journal Club Webinar-March | Edoxaban Exposure in Patients With Atrial Fibrillation and Estimated Creatinine Clearance Exceeding 100 mL/min](#)

-
- [ACCP STEP & ESP Webinar: Defining Your Journey: The Path to Professional Growth & Leadership](#)
 - [View other On Demand webinars](#)
